Technical Manager

TO: Board of Directors
           Mike Fletcher, Executive Director
FROM: Nathan Hughes, Technical Manager
SUBJECT: January 2022 Update

- Training
  - Nathan will be attending CentralSquare's API training. This class will allow Columbia 911 to interface with CAD using the new API.
- CAD to CAD
  - Columbia 911 continues to test CAD to CAD and will hopefully go live next month.
- Network Security
  - MAJCS is in the process of testing the CIS Albert network monitor. Columbia 911 is preparing the hardware to go live.
