Mike Fletcher, Executive Director
FROM: Nathan Hughes, Technical Manager
SUBJECT: March 2022 Update

- Vernonia Radio Site
 - The fencing project has been completed and the location is now much more secure.
- CAD
 - Attended CentralSquare Engage. Attended many different sessions by both CentralSquare and their users. Gained a better understanding of the direction CentralSquare is going with its CAD software and related products.
- Network
 - The SD-WAN CAD connection was updated to improve the stability and throughput.
