

# Technical Manager

---

TO: Board of Directors  
Mike Fletcher, Executive Director  
FROM: Nathan Hughes, Technical Manager  
SUBJECT: October 2022 Update

- MAJCS
  - CAD servers updated with security patches. Approximately 10 minutes to complete.
- Pano AI
  - Working with Pano AI to determine if they want to install fire detecting cameras on our radio towers. Cameras would be provided and installed free of charge. Partner PSAPs have reported that fires have been detected before receiving calls.
- Technology and Facilities Specialist
  - Three applicants will be interviewed on October 27.
