

Technical Manager

TO: Board of Directors
Mike Fletcher, Executive Director
FROM: Nathan Hughes, Technical Manager
SUBJECT: January 2023 Update

- MAJCS
 - CAD servers were updated.
- Network
 - Starlink successfully added as a failover connection for CAD.
 - Replaced nonfunctioning 4G/LTE CradlePoint with an upgraded 5G CradlePoint. This is used as a failover connection for CAD.
- Technology and Facilities Specialist
 - Merx has started in his new position and is proving to be a great asset to the team.
