

# Technical Manager

---

TO: Board of Directors  
Mike Fletcher, Executive Director  
FROM: Nathan Hughes, Technical Manager  
SUBJECT: November/December 2023 Update

- MICC Audio/Visual
  - We are waiting for quotes on the control system. The control system will allow for easy control of the devices in the room.
- ODOT
  - The upgrade of ODOT's equipment was successfully completed.
- Admin Phone System
  - We are working on getting quotes for upgrading the phones in the admin offices.
- Vesta 911 Phones
  - The Motorola Vesta 911 phone system was successfully upgraded.
- MAJCS
  - The CAD (Computer Aided Dispatching) system was successfully updated.
  - The MAJCS (Metro Area Joint CAD System) group updated the operating system of the servers hosting CAD.
  - The MAJCS mobile user group met again to discuss the new MDC (Mobile Data/Digital Computer) interface development.
