

Technical Manager  
Columbia 9-1-1 Communications District  
Salary Range: 61,900-79,300

The Columbia 9-1-1 Communications District in St. Helens, Oregon is seeking a highly competent, motivated and customer service focused individual to join their team as its Technical Manager. This position will provide technical and systems oversight for the Countywide 9-1-1 Communications Center.

The Technical Manager is responsible for the day to day maintenance and operation of the computer aided dispatch (CAD) system and other technical systems, such as telephone, radio and computer networks. A key component of this position is to supervise the maintenance of systems, facilities and grounds owned, leased or used by the District. This position will also work closely with the District's regional partners and peers in other organizations as well as manage vendors of the various technical systems.
