

# Technical Manager

---

TO: Board of Directors  
Mike Fletcher, Executive Director  
FROM: Nathan Hughes, Technical Manager  
SUBJECT: June 2021 Update

- MDCs
  - Working with Columbia River Fire and Rescue to setup their MDCs
- Radio Site Security
  - Beginning the process of getting bids and ideas for upgrading radio site security
- Radio Site Networking
  - Working with our networking equipment vendor to design a better network for our radio sites. This would support the bandwidth increase at the radio sites.
